

CHICAGO, IL + WORLDWIDE

THE

PERFECT

CHOICE

Your wedding day contains approximately 28, 800 seconds of precious memories and while photos are great to look back at, each photo only captures one second. A wedding film brings you back to every feeling, every emotion, every tear of joy and every smile produced by your big day. With a Wedding Film by Magic Moment Wedding Films, you can experience the joy and happiness of your day at any time you want.

Magic Moment Wedding Films (a MultiMedia Squared Company) will capture all of the details of your day starting with the preparation, interactions with your wedding party and family, the grand walk down the isle, the vows, the "I Do's", The salute of the bride and much more all in a cinematic film.

Let us capture your moments enabling you to re-live your day!!
